3) Technical Operations Scientist (130259)

Req ID 130259 - Posted 01/15/2013 - United Kingdom - Llanberis - Healthcare Sector - Manufacturing - Not defined - Temporary/Contractor - Full time only

Job ID: 130259
Job Family: Manufacturing
Organisation: Healthcare Sector
Mode of Employment: Full time only

Siemens Healthcare Diagnostics Products are recruiting for the position of Technical Operations Scientist to join our well-established and modern manufacturing and distribution facility based at Llanberis, Wales. The facility, based in the Snowdonia National Park, manufactures and distributes reagents used in hospitals worldwide to aid the diagnosis of medical conditions.

As a Technical Operations Scientist you will be involved in the effective resolution of product performance issues and improvements. You will focus on obtaining, collating, and analysing technical information to accomplish complex tasks and project managing technical investigations for the site.
